

Kilcoy Indoor Sports Centre

PROONENT

SOMERSET REGIONAL COUNCIL

Since its construction in 1996 the Kilcoy Indoor Sports Centre has been providing a valuable recreation service to the Kilcoy district.

Over 29 years the facility has evolved to incorporate gym and gymnastics facilities. Whilst the facility has proved to be a great recreational asset, it has struggled to keep up with modern standards and community needs.

Somerset Regional Council has identified the following performance gaps for the facility; insufficient space, insufficient storage, non-usable space, insufficient insulation and ventilation and insufficient parking.

A Master Plan has been developed with advice from the Kilcoy Indoor Sports Centre Re-Development Steering Committee, which comprises representation from Council, Somerset Health and Fitness (facility lessee), Kilcoy Gymnastics Club and Kilcoy State High School.

In 2026 Council will deliver Stage 1 works which include the refurbishment of the existing facility and enhanced parking. Stage 2 works include the construction of accessible indoor multi-purpose courts.

BENEFITS TO THE REGION

- Create a regional sporting hub that will cater for the growing community athletic requirements and needs.
- Open the region up to host more indoor sporting events.
- Create a modern and efficient sporting space for the region.
- 30 FTE jobs created during construction.

Supporting adaptive, accessible, sustainable and liveable regions.

Delivering infrastructure where and when it is needed.

Local people creating local opportunities

Regional Development Australia (RDA) Committees are made up of local people creating local opportunities.

Regions are incredibly diverse, and there is no one-size-fits-all approach - the government and RDAs are working with each other to solve the challenges and harness place-based opportunities.

RDA Ipswich & West Moreton

As part of a broader network of committees throughout Australia, our committee plays a vital role in promoting and supporting economic development within the Ipswich and West Moreton region.

Our goal is to bring together local leaders from various sectors and work collaboratively with all levels of government, businesses, and community groups to ensure the long-term growth and prosperity of the region.
