

PROPONENT

SCENIC RIM REGIONAL COUNCIL

The Beaudesert catchment needs more indoor public multisport facilities, with existing provisions at local schools and showgrounds insufficient for the wider community.

Establishing a new indoor multisport facility will meet the community's sports needs.

The project includes constructing a roofed facility with two courts and a mezzanine viewing deck, amenities like showers and inclusive facilities, and supporting infrastructure such as parking and staff rooms.

Located at Dick Westerman Park, this facility will complement existing amenities and be managed by the Council once completed.

BENEFITS TO THE REGION

- Protection from the elements.
- Improved climate control for better performance.
- Alignment with council health initiatives.
- Increased park utilisation.
- Enhanced female participation through friendly facilities.

KEY PARTNERS

Local people creating local opportunities

Regional Development Australia (RDA) Committees are made up of local people creating local opportunities.

Regions are incredibly diverse, and there is no one-size-fits-all approach - the government and RDAs are working with each other to solve the challenges and harness place-based opportunities.

RDA Ipswich & West Moreton

As part of a broader network of committees throughout Australia, our committee plays a vital role in promoting and supporting economic development within the Ipswich and West Moreton region.

Our goal is to bring together local leaders from various sectors and work collaboratively with all levels of government, businesses, and community groups to ensure the long-term growth and prosperity of the region.
