

Fernvale Sports Park

PROPONENT

SOMERSET REGIONAL COUNCIL

The Fernvale Sports Park is a 22 hectare site, with approximately 5 hectares of constructed facilities and 17 hectares of constructed facilities.

The facilities on site were constructed by the Somerset Regional Council in 2016. The initial development of the Park included the construction of four netball courts, an Australian rules football and cricket oval, rugby/soccer field, an amenities building and a three bay storage shed.

There are currently three permanent stakeholders that operate out of the Park; the Somerset Storm Netball Club, the Brisbane Valley Rattlers Australian Football Club and the Marburg Mount Crosby Thunder Cricket Club. The stakeholders have demonstrated steady growth since their inception or transfer to the facility. Additionally, the Fernvale State School is a recognised stakeholder of the facility. The Brisbane Valley Rail Trail is located along the southern boundary of the Park.

KEY PARTNERS

Local people creating local opportunities

Regional Development Australia (RDA) Committees are made up of local people creating local opportunities.

Regions are incredibly diverse, and there is no one-size-fits-all approach - the government and RDAs are working with each other to solve the challenges and harness place-based opportunities.

RDA Ipswich & West Moreton

As part of a broader network of committees throughout Australia, our committee plays a vital role in promoting and supporting economic development within the Ipswich and West Moreton region.

Our goal is to bring together local leaders from various sectors and work collaboratively with all levels of government, businesses, and community groups to ensure the long-term growth and prosperity of the region.
